UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C. 20460

OFFICE OF AIR AND  
RADIATION

Dear ENERGY STAR® Oven Partners and Other Interested Stakeholders:

With this letter, the U.S. Environmental Protection Agency (EPA) is releasing the [ENERGY STAR Version 3.0 Commercial Ovens Final Draft Specification](#), which includes revisions responsive to stakeholder feedback to Version 3.0 Draft 2.

EPA received written and verbal feedback since the Draft 2 was released. The Agency provides responses in two locations: note boxes throughout the Version 3.0 Final Draft specification and the [Version 3.0 Draft 2 comment matrix](#). Though leading specification revisions are highlighted below, stakeholders are encouraged to review the details in all supporting materials to the product specification including the [Version 3.0 Final Draft data package](#) and Version 3.0 Draft 2 comment matrix.

**Changes Reflected in Version 3.0 Final Draft**

- **Criteria Levels:** Based on the input provided by stakeholders in response to the proposed water consumption criteria for combination ovens in steam and convection modes during cooking periods, expressed in gallons per hour per pan (gal/hr/pan), the Agency has converted the units to gallons per pan (gal/pan). The specifics are outlined in the note boxes and Section 3.F. within the Final Draft specification.

**Comment Submittal**

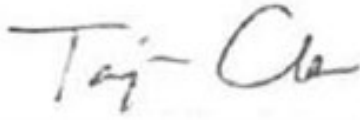

EPA welcomes stakeholder input on the ENERGY STAR Version 3.0 Commercial Ovens Final Draft Specification. Any final comments can be sent to [cfs@energystar.gov](mailto:cfs@energystar.gov) by **March 28, 2022**.

All product specification drafts including supporting documents are posted to the [ENERGY STAR Commercial Ovens Version 3.0 Product Development website](#). Submitted stakeholder comments are also posted to this webpage unless the submitter requests otherwise.

Please contact me at [Crk.Tanja@epa.gov](mailto:Crk.Tanja@epa.gov) or 202-650-7522 and Adam Spitz, ICF, at [Adam.Spitz@icf.com](mailto:Adam.Spitz@icf.com) or 916-231-7685 for questions or concerns.

Thank you for your continued support of the ENERGY STAR program.

Sincerely,

Tanja Crk, Product Manager  
ENERGY STAR Commercial Food Service
