Peace of mind.
The result of a home that’s built better. With the ENERGY STAR label on your new home, you can be confident that it will deliver and has been built better from the ground up.

• Meets strict requirements set by the U.S. Environmental Protection Agency (EPA)
• Tried-and-true best building practices
• More inspections and testing by certified professionals

Enduring quality.
Better systems make all the difference. A new home is a big investment, so it’s important that it be designed with features built to last.

• A complete Thermal Enclosure System with comprehensive air sealing, quality-installed insulation, and high-performance windows
• A high-efficiency Heating, Ventilation, and Cooling System
• A comprehensive Water Management System to protect roofs, walls, and foundations from moisture damage
• Energy-Efficient Lighting and Appliances

We are proud to offer new homes that have earned the ENERGY STAR label because it means your home has been designed and built to standards well above most other homes on the market today.

ENERGY STAR. It’s the little label with a big message.
Wall-to-wall comfort.
A better way to live. From the moment you walk in the door of your ENERGY STAR certified home, you’ll see, feel, and hear the difference.
• Efficiently delivered comfort, controlled humidity, and reduced noise
• A constant supply of fresh, filtered air, reducing indoor pollutants, dust, pollen, and other allergens
• Consistent temperatures and diminished drafts throughout the entire home

Proven value.
A better investment for today and tomorrow. ENERGY STAR certified new homes offer better energy efficiency and performance compared to other homes.
• At least 10% more energy efficient than homes built to code and achieve a 20% improvement on average
• Better resale value if it comes time to sell

Better is Better.
More than a mark of efficiency, the ENERGY STAR label is also a symbol of trust, quality, and responsible stewardship of the environment that we all live in. Buying a new home is a big decision. So it helps to start with the promise of peace of mind, enduring quality, wall-to-wall comfort, and proven value. You’ll find that promise with ENERGY STAR.

ENERGY STAR® is the simple choice for energy efficiency. For 25 years, EPA’s ENERGY STAR program has been America’s resource for saving energy and protecting the environment. Learn more about ENERGY STAR certified new homes at energystar.gov/newhomes.
