ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Residential Dishwasher Partner or Other Interested Stakeholder,

The U.S. Environmental Protection Agency (EPA) released the [Final ENERGY STAR Room Air Cleaner Specification](#) on October 16, 2019, with an original effective date of July 17, 2020. In light of widespread and unanticipated supply chain disruptions, and in response to broad stakeholder concern, **EPA is now delaying the effective date until October 17, 2020.**

Thank you for your continued support of the ENERGY STAR program.

Best Regards,
