Families and businesses are saving with the help of ENERGY STAR®

Hawaii is home to more than 36 businesses and organizations participating in the U.S. Environmental Protection Agency’s ENERGY STAR program:

- 4 manufacturers of ENERGY STAR products
- 1 company supporting independent certification of ENERGY STAR homes
- 1 company building ENERGY STAR certified homes

as well as many businesses, school districts, governments, and faith-based groups using ENERGY STAR resources to reduce energy waste in their facilities.

Across the state of Hawaii

- 489,494 customers are served by ENERGY STAR utility partners
- 20,144 homes have earned the ENERGY STAR
- 2,239 buildings (more than 300 million square feet) have been benchmarked using EPA’s ENERGY STAR Portfolio Manager
- 166 buildings have earned the ENERGY STAR for superior efficiency, including 86 schools, 12 hotels, 3 hospitals, and 47 office buildings
