Does your organization plan to encourage home attic insulation projects this Fall? Are you looking for additional ways to get insulation job leads? The Environmental Protection Agency's (EPA) "Rule Your Attic!" consumer outreach platform can help!

Join EPA on a quick 30-minute webinar to find out how your organization can use Rule Your Attic's turn-key consumer marketing tools to promote sealing and insulation. Learn about helpful resources, including: how-to videos, marketing graphics, and social media content to promote your products or services, or help drive participation in energy efficiency programs.

After registering, you will receive a confirmation email containing information about joining the webinar.
