SAVE MONEY & THE ENVIRONMENT

ENERGY STAR® qualified CFLs (Compact Fluorescent Lights) are among the most efficient light bulbs available today. It's easy to make the switch from a regular bulb to a CFL and you'll save money and energy over the life of the bulb.

RECYCLE your CFL properly when it burns out. Visit a participating retailer to recycle your CFL bulb at the store and purchase a replacement bulb while you are there.

Visit www.efficiencyMAINE.com or call 866-376-2463 for a list of participating retailers.

For a complete listing of recycling centers throughout Maine visit at www.maine.gov/dep.
