

# THEY JUST SCORED **HUGE** ENERGY SAVINGS. WANT THEIR RÉSUMÉS?

NAME: Carolina Watt-Busters, Morrison Residence Hall, UNC Chapel Hill

WINNERS OF: EPA's first-ever National Building Competition

SAVINGS: 36% reduction in energy use | \$250K in one year

These students and the UNC Energy Management team helped their dormitory cut more than 730 metric tons of carbon emissions, scored \$250,000 in savings, and earned ENERGY STAR® certification for their building. From dorms to office buildings, energy management offers great returns. Start saving today at [energystar.gov](http://energystar.gov).
