

# ENERGY STAR NextGen Certified Homes & Apartments Applicable Program Requirements, Versions, and Revisions by Location (Rev. 0)

This document, available at [www.energystar.gov/NextGenRequirements](http://www.energystar.gov/NextGenRequirements), is designed to be used in conjunction with the ENERGY STAR NextGen Certified Homes and Apartments National Program Requirements document. Use Exhibit 1 to determine the applicable ENERGY STAR NextGen program requirements, including the minimum Version and Revision, to which a home or building is eligible to be certified.

A home or building may only be certified to the ENERGY STAR NextGen program requirements applicable to the location of the home or building, as listed in the Exhibit below.

## Exhibit 1: Applicable ENERGY STAR NextGen Program Requirements, Versions, and Revisions for All Locations
