

ENERGY STAR® RESIDENTIAL NEW CONSTRUCTION PROGRAMS

DEAR ENERGY STAR RESIDENTIAL PARTNER,

The reporting period to submit ENERGY STAR certified homes and apartments is open. Please log in to your [My ENERGY STAR Account \(MESA\)](#) and click the link to EPA's "Homes Online Submission Tool (HOST)" found in the Tools tab to verify and submit homes and apartments that were certified during the 2nd quarter (April - June) of 2022 **no later than 7/31/2022**.

KEY NOTES FOR Q2 2022 REPORTING

- **Filters** - To increase the number of home reports viewable on the screen, the filters have been moved to a separate box that appears on the right side of the HOST screen. Click on the "Filter" button to access the filters.
- **Filter Locks** - Filters have been updated to 'lock' selections as you update records during a session.
- **Export** - Updated the 'export' button to allow teams to export based on their current filters or to export all data for the quarter.
- **Indoor airPLUS** - Indoor airPLUS home detail reports are available throughout the reporting period upon request. Providers should contact the Indoor airPLUS team at Indoor_airPLUS@epa.gov for an export of all Indoor airPLUS home detail reports to complete in-line with ENERGY STAR reporting.
