Dear ENERGY STAR® Energy Efficiency Program Sponsor,

This is a reminder to update and send your ENERGY STAR® product promotions information for 2019 and beyond no later than **Friday, March 29**. Thank you to all of the partners who have already responded.

The U.S. Environmental Protection Agency (EPA) promotes your ENERGY STAR product promotions through valuable online resources like the ENERGY STAR [Rebate Finder](#), the ENERGY STAR Database for Incentives and Joint Marketing Exchange ([DIME](#)), and the ENERGY STAR Product Program Summaries for [Appliances](#), [Lighting](#), [HVAC & Smart Thermostat Programs](#), and [Water Heaters](#).

For your convenience, please submit *all known promotional information* for 2019, 2020, and beyond. You are encouraged to submit program information even if your organization has stopped accepting applications to collaborate with other stakeholders. **To access the spreadsheet and detailed instructions, click [here](#).**

Please contact your ENERGY STAR regional account manager with any questions or concerns. If you do not know who your account manager is, contact [eeaccountmanager@energystar.gov](mailto:eeaccountmanager@energystar.gov).

**NOTE: Incentives only appear on the ENERGY STAR Rebate Finder when the associated start dates are valid.**

We appreciate your input and thank you for your continued support of ENERGY STAR!
