

LEARN MORE AT
energystar.gov

ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear Interested Parties:

This is a reminder that the U.S. Environmental Protection Agency (EPA) will host a stakeholder webinar to discuss the [Smart Home Energy Management Systems Discussion Guide](#) on **Wednesday, July 11, 2018**, from 1:00 pm – 3:00 pm ET. If you would like to participate and have not already registered, please register prior to the webinar [here](#).

All documents associated with this effort are available on the [ENERGY STAR product development webpage](#). Broad participation from stakeholders is welcomed during this process. Stakeholders are encouraged to submit written comments on the Discussion Guide by **July 27, 2018** to SmartHomeSystems@energystar.gov.

Thank you for your continued support of the ENERGY STAR program

For more information, visit: www.energystar.gov

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, please contact EnergyStarProducts@energystar.gov. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
