UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

OFFICE OF AIR AND
RADIATION

February 4, 2019

Dear ENERGY STAR® Vending Machine Partner or Other Interested Party:

Due to a lapse in funding, the U.S. Environmental Protection Agency (EPA) was shut down and the Refrigerated Beverage Vending Machine Version 4.0 Draft 2 Specification webinar was postponed. With funding restored, EPA has rescheduled the webinar for February 14, 2019 from 1:00 to 2:00 PM Eastern Time. Please register [here](#) if you plan on attending. Please note that if you registered for the original webinar, you will need to register again.

EPA has also extended the comment period for the Draft 2 specification. Comments may now be submitted no later than February 28, 2019 via email to vendingmachines@energystar.gov. The specification and accompanying materials are available on the [product development website](#).

Please contact me at Crk.Tanja@epa.gov or 202-566-1037 and Adam Spitz, ICF, at Adam.Spitz@icf.com or 916-231-7685 with questions or concerns. For questions on the test method, please contact Stephanie Johnson, U.S. Department of Energy, at Stephanie.Johnson@ee.doe.gov or (202) 287-1943. For any other vending machine related questions, please contact vendingmachines@energystar.gov.

Thank you for your continued support of the ENERGY STAR program.

Sincerely,

Tanja Crk, Product Manager
ENERGY STAR Commercial Food Service
U.S. Environmental Protection Agency
