

ARIZONA

The simple choice for energy efficiency.

Updated April 2019

Families and businesses are saving with the help of ENERGY STAR®

Arizona is home to about **270** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

- 23** manufacturers of ENERGY STAR certified products
- 11** companies supporting independent certification of ENERGY STAR products and homes
- 119** companies building ENERGY STAR certified homes, 8 of which are committed to building 100% ENERGY STAR, as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

Across Arizona

- 3 million customers** were served by ENERGY STAR utility partners in 2018
- 4,005 buildings** (almost 368 million square feet) were benchmarked in 2018 using EPA's ENERGY STAR Portfolio Manager
- 193,817 homes** have earned the ENERGY STAR
- 864 buildings** have earned the ENERGY STAR for superior efficiency, including 290 schools, 16 hotels, 8 hospitals, 228 office buildings and 4 industrial plants.

U.S. Airways Headquarters, Tempe, AZ. ENERGY STAR certified since 2000.

State Spotlights

"Through the inspection, testing, quality assurance, and training processes, Meritage utilizes ENERGY STAR as an integral validation of the entire design and construction processes. Our accomplishments reflect a continual partnership with the US EPA's ENERGY STAR staff and programs." – Meritage Homes

*"The tools provided to the Washington Elementary School District through ENERGY STAR are outstanding! The District took the entire ENERGY STAR planning process and implemented it meticulously. After one year, the District reduced electric energy consumption over 33 campuses by **15 percent** and natural gas consumption by **10 percent!** Halfway through year two, the District has reduced electric consumption by **21 percent** across 34 campuses! We are telling others that energy conservation does not have to cost a lot of money if you use ENERGY STAR tools."* – Sue Pierce, Director of Facility Planning & Energy, Washington Elementary School District. Phoenix, AZ

"Why is Fulton committed to building only ENERGY STAR certified homes? Because this certification ensures that you get a better house." – Fulton Homes
