

FLORIDA

The simple choice for energy efficiency.

Updated April 2019

Families and businesses are saving with the help of ENERGY STAR®

Florida is home to about **480** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

- 87** manufacturers of ENERGY STAR certified products
- 35** companies supporting independent certification of ENERGY STAR products and homes
- 81** companies building ENERGY STAR certified homes, 3 of which are committed to building 100% ENERGY STAR, as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

Across Florida

- 9.3 million customers** were served by ENERGY STAR utility partners in 2018
- 11,119 buildings** (almost 962 million square feet) were benchmarked in 2018 using EPA's ENERGY STAR Portfolio Manager
- 72,912 homes** have earned the ENERGY STAR
- 1,266 buildings** have earned the ENERGY STAR for superior efficiency, including 449 schools, 2 hotels, 7 hospitals, 462 office buildings and 6 industrial plants.

Southeast Financial Center, Miami, FL. ENERGY STAR certified every year since 2003.

State Spotlights

Parmenter Realty Partners, a Miami-based real estate investment, management and development firm managing more than \$1 billion in U.S. assets, has earned ENERGY STAR certification at **more than 80%** of the properties in its portfolio.

Intertape Polymer Group, Inc., based in Sarasota and employing 2,200 people, has achieved **more than \$3.6 million** in energy savings since 2009 and accomplished the ENERGY STAR Challenge for Industry – **a 10% reduction** in energy intensity within a five-year period – 10 times among its 12 plants.

"We had the first ENERGY STAR approved LED lamp in the industry. Everyone here is incredibly proud (and thrilled) of this huge achievement." – Lighting Science Group, Satellite Beach, FL
