

KANSAS

The simple choice for energy efficiency.

Updated April 2019

Families and businesses are saving with the help of ENERGY STAR®

Kansas is home to about **100** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

- 16** manufacturers of ENERGY STAR certified products
 - 12** companies supporting independent certification of ENERGY STAR products and homes
 - 14** companies building ENERGY STAR certified homes,
- as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

Across Kansas

- 391 thousand customers** were served by ENERGY STAR utility partners in 2018
- 1,563 buildings** (almost 141 million square feet) were benchmarked in 2018 using EPA's ENERGY STAR Portfolio Manager
- 3,384 homes** have earned the ENERGY STAR
- 314 buildings** have earned the ENERGY STAR for superior efficiency, including 165 schools, 2 hotels, 1 hospital, 58 office buildings and 3 industrial plants.

Recent ENERGY STAR Award Winner(s)

- Koch Industries

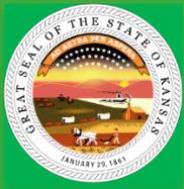

Koch Industries Inc. Wichita, KS. 2017 ENERGY STAR Partner of the Year.

State Spotlights

“At Koch, we believe the role of business in society is to provide products and services people value while using fewer resources and respecting the environment. We look at effective energy management as a win-win that benefits the company, our customers, the communities in which we operate and the environment.” – David Dotson, VP Operations and Compliance, Koch Industries, Inc.

In 2016, Koch companies maintained a high level of performance, improving energy efficiency in its chemicals and paper businesses by as much as two percent. Not only has Koch **saved more than \$270 million** across all its businesses since 2011—including approximately **\$34 million in 2016 alone**—it has also built an extensive energy manager network to convey best practices, provide training, inform about new technologies and enhance its **businesses' performance**. In 2015 and 2016, Koch invested more than \$600 million in energy efficiency projects across Koch businesses. The company is also encouraging other U.S. **manufacturers to join EPA's ENERGY STAR program to improve energy efficiency and reduce energy costs.**
