

MICHIGAN

The simple choice for energy efficiency.

Updated April 2019

Families and businesses are saving with the help of ENERGY STAR®

Michigan is home to about **490** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

- 27** manufacturers of ENERGY STAR certified products
- 24** companies supporting independent certification of ENERGY STAR products and homes
- 39** companies building ENERGY STAR certified homes, 1 which is committed to building 100% ENERGY STAR, as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

Across Michigan

- 4.3 million customers** were served by ENERGY STAR utility partners in 2018
- 5,687 buildings** (more than 476 million square feet) were benchmarked in 2018 using EPA's ENERGY STAR Portfolio Manager
- 18,191 homes** have earned the ENERGY STAR
- 1,202 buildings** have earned the ENERGY STAR for superior efficiency, including 513 schools, 12 hotels, 9 hospitals, 170 office buildings and 3 industrial plants.

One Detroit Center, Detroit, MI ENERGY STAR Certified in 2014.

State Spotlights

Grede, an iron castings manufacturer based in Southfield, has improved the energy intensity of its operations six percent since 2012, taking the ENERGY STAR Challenge for Industry at 13 plants and requiring all of its plants to implement relevant energy efficiency opportunities in the ENERGY STAR Energy Guide for Metal Casting.

General Motors Company achieved a 10-percent reduction in energy use per vehicle at its U.S. manufacturing facilities in 2016 when compared to 2015, saving **more than \$10 million** and also earning ENERGY STAR certification at 15 **GM** buildings and two assembly plants.

*"We work to provide energy efficiency solutions that have helped Michigan households and businesses to **save over \$1 billion** on their monthly energy bills since 2009."* – **Ted Ykimoff, Director of Energy Efficiency Programs, Consumers Energy**

"GM's long term partnership with ENERGY STAR continues to provide real value with external benchmarking, networking with industry experts and world-class recognition." – **Al Hildreth, Global Energy Manager, GM**

Recent ENERGY STAR Award Winner(s)

- **Consumers Energy**
- **General Motors Company**
