

WYOMING

The simple choice for energy efficiency.

Updated April 2019

Families and businesses are saving with the help of ENERGY STAR®

Wyoming is home to about **20** businesses and organizations participating in U.S. EPA's ENERGY STAR program:

- 1** manufacturer of ENERGY STAR certified products
 - 1** company supporting independent certification of ENERGY STAR products and homes
 - 6** companies building ENERGY STAR certified homes,
- as well as many businesses, schools, governments, and faith-based groups using ENERGY STAR to reduce energy waste.

Across Wyoming

68 thousand customers were served by ENERGY STAR utility partners in 2018

250 buildings (almost 9 million square feet) were benchmarked in 2018 using EPA's ENERGY STAR Portfolio Manager

571 homes have earned the ENERGY STAR

28 buildings have earned the ENERGY STAR for superior efficiency, including 1 hospital, and 4 office buildings.

NOLS International Headquarters, Lander, WY. First earned ENERGY STAR certification in 2011.

State Spotlights

Trihydro's corporate headquarters, located in the Laramie River Business Park in Wyoming, was designed and built to be energy efficient and environmentally friendly, as well as provide a comfortable work setting for employees. Trihydro's corporate office was the first privately owned building to receive the ENERGY STAR award in the State of Wyoming.
