**Bio**

Tom Hamilton is Vice President of Marketing at Ketra, a dynamic LED lighting and controls manufacturer based in Austin, TX. Prior to joining Ketra he was Global Product Manager for LED-based interior accent lighting and general illumination products at Philips Color Kinetics. While attending graduate school, he was a Consultant at QD Vision, a company that is developing next generation Organic LED (OLED) display and lighting solutions. Prior to that he served as Senior Engineer at ColorLink, Inc. (acquired by RealD in 2007), a manufacturer of optical systems for 3D cinema and video projection applications. He has served multiple terms in executive committee roles with the Institute of Electrical and Electronics Engineers (IEEE) and is a member of the Illuminating Engineering Society of North America (IESNA). Mr. Hamilton received his undergraduate degree in Electrical Engineering from the University of Colorado at Boulder and received MBA and MS degrees from Boston University.
