ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Energy Efficiency Program Sponsor Partner:

The U.S. Environmental Protection Agency (EPA) invites you to participate in the following webinar:

Webinar: Understanding ENERGY STAR Awards Application Options for Energy Efficiency Program Sponsors
Date and Time: Tuesday, October 29, 2019 at 2:30 PM

Please register for the webinar [here](#).

December 3rd, the deadline for applying for the ENERGY STAR Awards, is fast approaching. This webinar is designed to help answer questions about application criteria and to assist managers of energy efficiency programs in packaging and articulating their success in leveraging ENERGY STAR to meet program goals.

Participants will learn more about the Award categories available for utilities and other energy efficiency program sponsors. Questions about applying for these awards will be answered and experts will provide general tips to help your team avoid common mistakes when applying. We look forward to your participation!

Not ready to apply this year? Use this webinar as an opportunity to plan for success in 2020.

Thank you for your continued support of the ENERGY STAR program!
