ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Energy Efficiency Program Sponsor and/or Retailer Partner,

The purpose of this email is to notify you that the U.S. Environmental Protection Agency (EPA) will be removing certain products from ENERGY STAR certified product lists in early March. Specifically, EPA will be excluding products from partners that have failed to submit unit shipment data by March 1, 2020.

The submission of annual unit shipment data is a condition of partnership for ENERGY STAR brand owners and their failure to submit by the March 1 deadline results in products being removed from the ENERGY STAR product lists on the ENERGY STAR website. EPA restores products and company names to the website in early April, provided the partner has submitted its unit shipment data.

Further information on EPA's unit shipment data collection process is available at www.energystar.gov/unitshipmentdata.

Thank you for your continued support of ENERGY STAR.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, please contact EnergyStarProducts@energystar.gov. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
