

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY  
WASHINGTON, D.C. 20460

OFFICE OF  
AIR AND RADIATION

September 4, 2019

Dear ENERGY STAR® Window, Doors, and Skylight Stakeholders,

The U.S. Environmental Protection Agency (EPA) is pleased to share the [ENERGY STAR Version 7.0 Window, Door, and Skylight \(WDS\) Discussion Guide](#). Through the Discussion Guide, EPA provides background and invites stakeholder input on key topics prior to considering a potential specification revision.

This Discussion Guide covers the following topics:

- Background on the ENERGY STAR Windows, Doors, and Skylights Specification and EPA's specification revision process,
- EPA's assessment of the current market for ENERGY STAR windows, doors, and skylights,
- Proposed methodologies for evaluating a potential revised specification, and
- Additional issues that EPA plans to consider in a potential specification revision.

The document also provides questions for stakeholders in each section to encourage feedback on key topics to facilitate the collaboration process.

**Schedule:**

EPA invites stakeholders to review this Discussion Guide and provide **formal comments** to [windows@energystar.gov](mailto:windows@energystar.gov) by **Friday, October 4<sup>th</sup>, 2019**. EPA will host a **webinar** to facilitate discussion and answer questions on **Tuesday September 17<sup>th</sup>, 2019** from 2–4 PM EST. Please register [here](#) if you plan on attending.

For any related questions or concerns, please contact [windows@energystar.gov](mailto:windows@energystar.gov). Thank you for your continued support of the ENERGY STAR program.

Sincerely,

A handwritten signature in black ink that reads "Douglas W. Anderson".

Douglas W. Anderson  
Program Manager, ENERGY STAR Windows, Doors, and Skylights  
U.S. Environmental Protection Agency
