

LEARN MORE AT  
[energystar.gov](http://energystar.gov)

ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit [www.energystar.gov](http://www.energystar.gov).

Dear ENERGY STAR® Partner:

The U.S. Environmental Protection Agency (EPA) invites you to participate in the following webinar:

**Webinar:** ENERGY STAR Mini-split Heat Pumps for Cooling and Heating – Remarkably Efficient, Increasingly Popular, Still Misunderstood

**Date and Time:** Thursday, April 30 from 1:00 – 2:00 PM Eastern

Please register for the webinar [here](#).

Join us on April 30<sup>th</sup> for a full overview of the ENERGY STAR mini-split. We will be joined by an HVAC industry expert who will do a deep dive into mini-split technology: its advantages, cold climate capabilities, and breadth of applications. The ENERGY STAR communications team will then give an overview of the upcoming HVAC promotion campaign.

Speakers:

- Kevin DeMaster, Mitsubishi
- Jill Vohr, EPA

We look forward to your participation! Questions may be directed to your account manager or [eeaccountmanager@energystar.gov](mailto:eeaccountmanager@energystar.gov).

Thank you for your continued support of the ENERGY STAR program.
