ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Partner:

The U.S. Environmental Protection Agency (EPA) invites you to participate in the following webinar:

Webinar: “Jump into Savings: New Opportunities for ENERGY STAR Certified Pool Pumps”

Date and Time: Thursday, September 13 from 1:00 – 2:00PM EDT

Please register [here](#).

ENERGY STAR Pool Pump Specification Version 2.0 will double the number of pool pumps eligible for certification! Join this webinar to hear from leading ENERGY STAR partners on new opportunities for utilities to capitalize on substantial energy savings from certified pool pumps.

Participants will:

- Learn about the three new categories of pool pumps – above-ground, in-ground and booster – included in Pool Pump Specification Version 2.0.
- Hear from industry on the importance of expanding incentives to the new categories of pool pumps, including above-ground pools, to encourage supply.
- Learn about the success of instant rebates at retail.
- Discover how to leverage ENERGY STAR resources to market certified pool pumps to consumers.

Speakers:

- Scott Petty, Hayward Industries, Inc.
- Brian Wells, Leslie’s Pool Supplies
- Rosemarie Stephens-Booker, US EPA
- Bonnie Delvin, MassSave

We look forward to your participation!

Thank you for your continued support of the ENERGY STAR program.
