

## Quarterly Update ENERGY STAR Product Specification Development

The U.S. Environmental Protection Agency (EPA) provides quarterly updates on ENERGY STAR product specification development activities to assist partners in planning. The following tables outline actions anticipated for ENERGY STAR specification revisions and new product additions during the current quarter. A complete list of all new ENERGY STAR specifications in development and revisions to existing specifications can be found at: [www.energystar.gov/specifications](http://www.energystar.gov/specifications). For information on relevant public notices as they are released, visit [https://www.energystar.gov/partner\\_resources/products\\_partner\\_resources](https://www.energystar.gov/partner_resources/products_partner_resources)
