

Dear Sir.

My comment for

13. LAMP TOXICS REDUCTION

13.1. Lamp Toxics Reduction: All Lamps

Please have more clear language for forthcoming year.

All Lamps	Rated life hours	Mercury & other materials contain restricted levels	
Rated wattage			
<15W	10,000 Hours	1.5 mg before 2014/9/30	1.0 mg Values after 2014/9/30
≤23W	10,000 Hours	2.5 mg before 2014/9/30	1.5 mg Values after 2014/9/30
>23W	10,000 Hours	3.0 mg before 2014/9/30	2.0 mg Values after 2014/9/30

Shall print homogeneous materials contain value ?.? mg on lamp for consumers.

After 2015/9/30 all lamps shall met RoHS 2003 values allowed by weight.
