Dear Verena:

This message is to confirm CEA's support of EPA's decision to retain the ENERGY STAR Version 5.3 Automatic Brightness Control specification for televisions per the stakeholder letter dated August 10, 2012.

Thank you for your willingness to consider CEA's comments and recommendations from July 25 (attached).

If you have any questions, please do not hesitate to contact me at aschumacher@ce.org or [703-907-7631](tel:703-907-7631) or Doug Johnson at djohnson@ce.org or [703-907-7686](tel:703-907-7686).

Thank you.

Sincerely,
