Re: ENERGY STAR Draft 2 Version 6.0 Clothes Washer Specification
ENERGY STAR Draft 3 Version 3.0 Room Air Conditioners

Dear Ms. Stevens:

As a very active member of the Association of Home Appliance Manufacturers (AHAM), Whirlpool Corporation has worked closely with them in the development of the comments they submitted (under separate cover) on these two proposals. Please be advised that we support and echo the positions taken by AHAM.

Thank you again for your consideration and we look forward to continued collaboration with ENERGY STAR going forward.

Sincerely,
