Richard H. Karney, P.E.
ENERGY STAR Products Manager
U.S. Department of Energy
Washington, DC 20585

Re: ENERGY STAR® Program Requirements for Solid State Lighting Luminaires

Dear Mr. Karney:

GE Consumer and Industrial appreciates the opportunity to provide comments regarding the Department of Energy proposed Energy Star requirements for SSL Integral Lamps.

Please contact GE with any questions that you may have about these comments.

Sincerely,

Tom Stimac
Lead Safety/Regulatory Engineer
GE Consumer & Industrial – Lighting
