Dear ENERGY STAR for Industry:

As the corporate energy director for [name of company], I am writing to nominate the following plant for award of the (Date) ENERGY STAR:

[Plant name]  
[Plant street address]  
[Plant city, state, zip code]

As documented by the attached Statement of Energy Performance, I affirm that the aforementioned plant meets the conditions necessary to qualify for the ENERGY STAR, including an Energy Performance Score in the top quartile of the most current version of the ENERGY STAR Energy Performance Indicator for this type of plant, or for petroleum refineries, scoring within the top quartile of the *Solomon-EII*<sup>TM</sup> scoring system.

I have personally examined and am familiar with the information contained in this Application. The information is based on reasonable inquiry and is, to the best of my knowledge, true, accurate, and complete. I have no reason to believe the plant would not meet all EPA program requirements for receiving the ENERGY STAR.

I am submitting this application within 4 months of the period ending date on the enclosed Statement of Energy Performance. I understand EPA reserves the right to request and review any records which support the data used to produce the Energy Performance Score for this plant. I also certify that I am maintaining a formal certification file on this plant in accordance with EPA's formal certification file requirements. Furthermore, I agree to associate the ENERGY STAR name and logo only with the aforementioned plant and to adhere to ENERGY STAR's Identity Guidelines.

Sincerely,
