Type of Recognition Sought; check all that apply: *

Select All   Unselect All
- ☐ Certificate of Participation
- ☐ Certificate of Recognition

If seeking Certificate of Recognition, which category?

[dropdown ▼]

Options:
- Environmental Improvement
- High Performance

Environmental Improvement; check all that apply:

Select All   Unselect All
- ☐ 10% energy consumption reduction over 2008 baseline
- ☐ 10% total water consumption reduction over 2008 baseline
- ☐ 10% waste reduction over 2008 baseline

High Performance; check all that apply:

Select All   Unselect All
- ☐ achieved LEED EB certification (or recertification) during reporting period*
- ☐ earned the ENERGY STAR label during reporting period*
- ☐ indoor water consumption of 15 gallons per gross square foot per annum or less
- ☐ solid waste diversion of 50% or more

*Define reporting period as January 2008 to December 2009

If achieved LEED EB certification during the reporting period, what level?

[dropdown ▼]

Options:
- Certified   ● Gold
- Silver   ● Platinum

If achieved LEED EB certification during the reporting period, please provide the project name.
